MOTHER'S DAY CELEBRATIONS

Mother's day is a special day, for all children and mothers as, it celebrates the bond of love and affection that is everlasting. Mothers are the emotional backbone of the family, who have the magic touch to heal all wounds and make all things beautiful.

Students of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA celebrated Mother's Day on their campus premises recently. Taking this occasion as an opportunity to thank their respective mothers for the unconditional love, youngsters played various games with them and shared special messages. Also, while some presented beautiful sketches and thoughtful gifts, some danced with their mommies. It was nice to see the teachers sporting benign smiles while watching all this. Later, youngsters clicked selfies with not just their respective mommies but with all the lovely mothers present.

WORLD ENVIRONMENT DAY

On the occasion of World Environment Day, students, teachers of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, Bela (An Autonomous College) gave a message for environmental protection by planting saplings and running a cleanliness campaign around the college premises.

Dr. Shailesh Sharma, Director of the college explained the importance of Environment Day to the students and

told them about small-small things that can be done by everyone for environmental protection.

He also said that, In 1972, the United Nations organized the first environmental conference of countries around the world in Stockholm (Sweden) in view of the problem of environmental pollution, in which 119 countries participated and in this conference the United Nations Environment Program (UNEP) was born and it was decided to make citizens aware of the problem of pollution by organizing Environment Day on June 5 every year. Its main objective was to awaken political consciousness and inspire the general public by bringing awareness to the environment.
